

## **ORION'S VISION**

We want to be the most preferred Therapeutic Centre for disabled people in South Africa.

A model of promise and hope, dedicated to caring and providing for the educational, training and therapeutic needs of mentally, physically and intellectually disabled children and adults

An environment where every person can live harmoniously, and strive to become fulfilled and productive members of society.

## **MISSION STATEMENT**

- We will always strive towards competitive, successful achievements via excellent teamwork and networks, to provide a training, facilitating and mentoring service to the disabled, with the focus on the successful placement in the open labour market.
- We provide an encouraging, supportive service to the families of the disabled, in order to assist and empower them to be involved with, and take full responsibility for the home based care and stimulation of his/her disabled family member.
- By providing high quality, professional care and a personal service to our clients, customers and community, we want to grow positively, and passionately inspire those around us, in order to develop and reach their maximum potential.
